Book Overview:

*The Boudreaux Series*â€”*Sexy. Intriguing. Easy.*

No one said change was easyâ€™

Savannah Boudreaux knows what it is to hurt. To bleed. To be afraid that the man sheâ€™s promised to be true to until â€œdeath do us partâ€• might in fact separate them far sooner than anyone had ever anticipated. But Van also knows what it is to survive. To move on. To live life to the fullest. With five brothers and sisters and a loving mother as her constant source of strength during the pain and the healing, Van realizes there is

little else she needs.

But some things never changeâ€™

Benjamin Preston sat on the sidelines of the Boudreaux family for years, in love with a woman he couldnâ€™t have. As the best friend of the Boudreaux brothers since childhood, Ben has seen both tragedies and joys in the family. And as a former MMA fighter and Krav Maga expert, Benâ€™s used to fighting for what he wantsâ€™ and winning. His hands were tied when Savannah married her high school sweetheart not long after graduation, but now two years have passed since Ben found Savannah broken in her own home.

Sometimes what you need most has been right in front of you the whole timeâ€™

Vanâ€™s convinced that happiness isnâ€™t in the cards for her, no matter how right it feels to be in Benâ€™s strong armsâ€™ and his bed. Ben is determined to win her heart and fight for her trust. Heâ€™s promised to protect her, to be her friend. But more than anything, he wants to finally make her his, and this is one fight heâ€™s not willing to lose.

This book is one of best seller books in the world. Many of people very interesting to read this book. So, your life will be regret if you never read this book on your life.
